

51st EDTNA/ERCA International Conference

Kidney Care in a challenging world –
economic & sustainable implications

Vilnius, Lithuania
October 14–17, 2023

Book of Abstracts

SCIENTIFIC PROGRAMME
EDTNA/ERCA 51st INTERNATIONAL CONFERENCE

Saturday, October 14th, 2023

ALFA hall

16:00-17:00

Plenary Session

Chair: Ilaria de Barbieri & Edita Norušienė

17:00-17:15

Break

17:15-19:00

Opening Ceremony

Chair: Ilaria de Barbieri (EDTNA/ERCA President)

GS: prof. Helen Noble

Alleviating suffering: Humanity in Kidney Care (UK)

GS: Mrs. Neerja Jain

Addressing Health Inequalities in partnership: Kidney Research UK's outreach work with patients and communities "at risk": solutions focused (UK)

19:15-21:45

Welcome & Exhibition Opening

SCIENTIFIC PROGRAMME

EDTNA/ERCA 51st INTERNATIONAL CONFERENCE

Sunday, October 15th, 2023									
ALFA hall		BETA hall		LAMBDA hall		EPSILON hall		ZETA hall	
Fresenius Corporate Education Session: The Art of Resilience <i>Chairs: Raquel Ribeiro, Fresenius Medical Care Deutschland GmbH</i>		Symptom management 1 <i>Chairs: Silva Corti & Claire Carswell</i>		Education of people with kidney disease <i>Chairs: Mike Kelly & Afra Masia Plana</i>		Workshop: Diabetic foot assessment and Nutrition (a multidisciplinary workshop for nurses and dieticians) <i>Chairs: Chrysanthi Avrami & Liana Poulla</i>		National Lithuanian Renal Nurse Seminar <i>Chairs: Dalia Garmuviene & Saule Kudzmiene</i>	
9:00-10:30	Why resilience, and why now? (Suzanne Mitrovich, Fresenius Medical Care Deutschland GmbH)	ID 4:	The Compassionate Mindful Resilience (CMR) programme for people with kidney disease (Anna Wilson, United Kingdom)	ID 8:	The Effect of Education and Art Therapy with Telehealth Method on Hemodialysis Patients (Mukadder Mollaoglu, Turkey)			09:00 – 09:05	Sveikinimo žodis (Iliaria de Barbieri)
	A Journey of resilience (Gorana Radaković, Fresenius Medical Care Bosnia and Herzegovina)	ID 7:	Effect of Yoga on Hemodialysis Patients' Fatigue, Comfort, and Functional Status: Randomized Controlled Study (Safiye Yanmis, Turkey)	ID 22:	International mapping exercise of Arts Interventions in renal units: the PAINT project (Trisha Forbes, Northern Ireland)			09:05 – 09:10	Sveikinimo žodis (Dalia Garmuviene)
	The power of the team (Joao Fazendeiro-Matos, NephroCare Portugal S.A., Fresenius Medical Care Portugal)	ID 9:	Use of PROMIS-Fatigue v.1 in individuals on dialysis (Bincy Joshwa, USA)	ID 56:	Creation and development of Video's for Patient Education within a Shared Care programme (Emer Kenny, Ireland)			09:10 – 09:30	EDTNA/ERCA Asociacijos veikla ir projektai (Saulė Kudzmiene)
	Mission: Resilience (Rabia Papila, Fresenius Medical Care Türkiye)	ID 109:	Resilience level of Chronic Kidney Disease's person in a Regular Hemodialysis Program (Marta Meneses, Portugal)	ID 67:	Develop a mobile-application to support self-management of people with chronic kidney disease in Vietnam (Van Lan Hoang, Vietnam)			09:30 – 09:50	Slaugytojų atstovavimas ir socialinio dialogo pletra (Aušra Volodkaitė)
	Building skills to thrive (Sabina Frumen Pivk, Fresenius Medical Care Slovenia d.o.o)	ID 110:	Chronic kidney disease associated pruritus among dialysis patients in the French-speaking part of Switzerland (Nancy Helou, Switzerland)	ID 94:	Relating literacy to quality of life in patients with chronic kidney disease (Abilio Silva, Portugal)			09:50 – 10:10	Pacientų mokymas - vis dar "neatrasta" slaugytojų kompetencija" (Jūratė Ezeškiene)
	Embracing resilience (Marjelka Trkulja, Fresenius Medical Care Deutschland GmbH)	ID 136:	Pruritus associated chronic kidney disease (Pa-CKD) in hemodialysis: What's new folks? (Ariadna Morera Mas, Spain)					10:10 – 10:30	Slaugos personalo darbo organizavimo ypatumai COVID-19 skyriuje (Virginija Savickiene)
Coffee Break		Coffee Break		Coffee Break		Coffee Break		Coffee Break	
CSL Vifor Educational Symposium: CKD-associated Pruritus Management: A Patient-Centered approach for patients on haemodialysis		Experience of People with Kidney Disease <i>Chairs: Susan Rogers & Mukadder Mollaoglu</i>		Green Excellence in Dialysis <i>Chairs: Anastasia Liossatu & Silvia Corti</i>		Workshop: Nurses perceptions of the management of a Peritoneal Dialysis Unit and the importance of patient views in relation to their care planning. <i>Chairs: Sotiroula Gilki & Maria Arminda Tavares</i>		National Lithuanian Renal Nurse Seminar	
11:00-12:30	Welcome & Introduction (Dr.med. Sebastian Koball, Germany)	ID 101:	Reference nurse, the future for the holistic care of the person on hemodialysis (Daniela Sá, Portugal)	GS:	Sarah Deichmann: Challenge accepted! Moving with green dialysis toward a more sustainable future			11:00 – 12:30	Apvalaus stalo diskusija
	Insights into burden, prevalence and challenges in identifying CKD - associated Pruritus (Dr.med. Sebastian Koball, Germany)	ID 103:	Therapeutic Self-Care Scale score on Haemodialysis Patients (Telmo Carvalho, Portugal)	ID 34:	How to decrease water consumption at the renal care centre? (Eva Záleskáková, Czech Republic)				Psichologiniai iššūkiai slaugytojų darbe (Genovaitė Petronienė)
	CKD - associated Pruritus: Why the role of the nurse is pivotal to establish symptom-based care in nephrology (Ass.Prof. Jeanette Funderup, Denmark)	ID 113:	What do patients not know about chronic kidney disease? (Hayfa Almutary, Saudi Arabia)	ID 108:	Environmental performance in a hemodialysis unit (Ana Veiga, Portugal)				
	Audience Q&A (all)	ID 115:	Measuring sexual dysfunction in kidney disease: a systematic review (Megan Cairns, Northern Ireland)	ID 131:	Environmental impact of dialysis. Mitigation needed. (Joao Fazendeiro Matos, Portugal)				
	Summary and Meeting close (Ass.Prof. Jeanette Funderup, Denmark)	ID 116:	The process of commitment of the person with chronic kidney disease: an ethnographic study (Maria Eulália Novais, Portugal)	ID 142:	Quality and sustainability in hemodialysis and vascular access nursing practices (Monica Esperanca, Portugal)				
	ID 139:	Patients' Perception of Care: a renal network experience from North Macedonia (Sokica Gegovska, North Macedonia)							
Lunch break		Lunch break		Lunch break		Lunch break		12:30 – 13:00	Fotosesija (bendra nuotrauka)
12:45-13:45	BAXTER Lunch Symposium What is quality in PD nursing? Co-developing peritoneal dialysis nursing sensitive indicators Speakers: Jeanette Funderup, Jessica Baillie, Cornelia Mikut		EDTNA/ERCA Accreditation of Renal Education Programs - come learn more! Chairs: Theodora Kafkia (Greece) 12:45-13:45					13:00 – 14:00	Pietūs
