From French director Céline Sciamma, *Portrait Of A Lady On Fire* tells a story of forbidden love between the daughter of a wealthy family and the young artist commissioned to paint her portrait promised to a future husband

## Aim and Scope

Perspectives in Psychiatric Care (PPC) is recognized and respected as THE journal for advanced practice psychiatric nurses. The journal provides advanced practice nurses with current research, clinical application, and knowledge about psychiatric nursing, prescriptive treatment, and education. It publishes peer-reviewed papers that reflect clinical practice issues, psychobiological information, and integrative perspectives that are evidence-based. Perspectives in Psychiatric Care includes regular columns on the biology of mental illness and pharmacology, the art of prescribing, integrative perspectives, and private practice issues.

## About Perspectives in Psychiatric Care

*Perspectives in Psychiatric Care* is a journal covering the technologies/fields/categories related to **Psychiatric Mental Health (Q2); Medicine (miscellaneous) (Q3)**. It is published by **Wiley-Blackwell**. The overall rank of Perspectives in Psychiatric Care is **9399**. According to **SCImago Journal Rank (SJR)**, this journal is ranked **0.538**. SCImago Journal Rank is an indicator, which measures the scientific influence of journals. It considers the number of citations received by a journal and the importance of the journals from where these citations come. SJR acts as an alternative to the Journal Impact Factor (or an average number of citations received in last 2 years). This journal has an **h-index** of **35**. The **best quartile** for this journal is **Q2**.
